Prior to Mid-July 1955, most of the buildings of the former ammunition depot near Krugau were evacuated by the civilian population. Only 10 or 12 families remained after that date. On 11 and 12 July, an advance detail of the KVP numbering about 45 men arrived at the installation. The KVP personnel seen wore blue collar patches.

Comment. Information on the occupation of the former ammunition depot at Krugau 9 km northeast of Luebben by the KVP was received for the first time.
